### **PRESIDENTS REPORT (for 11 June 2014)**

No report from President Terry who was AWOL at RI Congress. PE Rhonda has other issues trying to marry off her daughters, so I (Bulletin Editor) will pen a few words.

Last meeting we had Jenny Ravlic talk to us about food additives in our daily foods – some of which are quite harmful to good health. It was a very enlightening presentation and more can be found at

[www.additiveeducation.com.au](http://www.additiveeducation.com.au) . Jenny works to educate schools, community

groups and I guess anyone else who is interested in the topic, about food additives in our daily diet. Please have a look at the website when you have a minute.

We also heard from Paul Muczynski, a visiting Rotarian who was visiting Australia to attend the RI Congress in Sydney and also catch up with past acquaintances in Mt Waverley. Paul is Past DG of District 7470 North East NJ USA. Paul arrived with his two guests from Mt Waverley – Membership Chair – did you get their names? Paul spoke very eloquently about Rotary and encouraged our club to continue with our support of Rotary's Eradication of Polio Project.

Next week we have Elaine Upton from the Monash Council supported Enhanced Maternal & Child Health Service. This group is a very strong supporter of our Disadvantaged Children's Christmas Party, so it would be great if we could have a good turnout of members on the night. Please come if you are able. CPEC reps will also be attending.

See you then.

Glen Watkins (Bulletin Editor...standing in for President and President Elect).
