Presidents Report – 11 October 2017

At our weekly meeting a small but enthusiastic group of 12 members heard an inspirational speech from Jeremy Scott on his 51,900km solo bicycle ride from London to Christchurch. The unaided ride, with no guide/support team, took place from October 2011 to May 2014. Jeremy, who was the recipient of heart surgery as a young child, took the momentous decision to see the world and seek adventure via bicycle. His story is fascinating mixed with emotion, passion, commitment and achievement. During his ride he raised over \$30,000 for the NZ, Australian and British Heart Foundations and was awarded the Australian Heart Foundation 'Heart Hero' award.

How good was our **Trivia night** last Saturday! We had lots of fun and laughter, the usual competitive spirit between teams and great camaraderie. According to Beth we had 90 Club members, friends and family attend as well as the Ray White team from Mount Waverley and we were grateful for their support. Once again a BIG thanks Beth and Loretta and the small group of helpers that go to a great deal of effort to make the night so good. Congratulations to all for the support shown for our first major fundraiser.

We had our **Hamilton Place market** on Sunday and despite windy and cloudy weather there was the usual good turnout from stall holders and the public. It was great to see the usual support crew all bright eyed and bushy tailed despite the late night finish with the Trivia night.

The joint **Membership night** due to be held on the 25th of October may need to be deferred until early in the new year; Rhonda McKenzie will give us an update closer to the due date.

The Heats for the **4 Way Test Public Speaking Competition** are programmed for **Wednesday 11th October** with the students from Avila competing, and **Tuesday 17th October** the students from MWSC competing. The heats commence at 6:45pm at the Mulgrave Country Club.

I attended the District Community Seminar last Friday night and heard from several speakers on various Community projects including Trachoma 2020, the Indigenous Transition School, Community Policing, Bowel Scan, and Lift the Lid on Mental Health with Australian Rotary Health. Some of these programmes have already been incorporated in our budgets and there may be some more of interest to our Club. I will discuss seminar outcomes with Robyn Morrow on her return.

We have a Friday Bunnings BBQ coming up on **20th October**; Beth will send out a roster with the usual request for help from members.

At next week's meeting, 11th October, we have Kamran Khan as our guest speaker. Kamran is a member of the Monash Rotoract Club and he will tell us of his charity bike ride from Melbourne to Sydney to raise funds for cancer research. The following week, 18th October, is our social night and Ros has arranged for us to dine at the Aahar Indian restaurant in Mount Waverley.

See you Wednesday

MEMBERS ANNOUNCEMENTS

ROMAC

Dear D9810 Team,

A whole new world has opened up to Patricio over the last few days. He has had all the drains removed making it easier for him to get about and he has grabbed it with both hands exploring the hospital (see photos). His appetite is excellent, although he is still getting fed at night via a nasogastric tube to supplement his calorie intake.

We had a discussion today with his Oncologist, Dr Michael Sullivan, and following a Cat and MRI scan over the next few days he will commence 3 days of chemotherapy as an outpatient on Mon. He and Norberto will be living with home hosts, Dianne and Bill Sides, from that day until 15 Oct at which time Dianne and Bill will hand over to Kay and Phil Leck (RC of Boronia). All being well, after three weeks at home, Patricio will undertake another 3 days of chemotherapy. A week after that he should be able to return home where the two remaining chemotherapy treatments will be undertaken at the Dili General Hospital.

Patricio has turned a corner and hopefully everything will go well from here on in.

Regards
Graeme

Subject: UNICEF COINS and NOTES

Dear Adrian

The coins weighed 2.6 kg and I think your idea of getting 5 cent coins as well paid off as there were \$20 worth in the collection. This is like a cash donation of about \$80 to UNICEF. As I recently sent off 120kgs of coins and notes, I have started the next collection which with your contribution is now 26.9kgs of coins and notes – almost half way to the next 60kg despatch. With 23 of our 44 clubs contributing to this district project there are almost half the district clubs yet to get rid of a lifetime of coins. So there are lots more out there!

Thanks for yet another collection, you are a long term supporter. We need a champion like you in each club to act as the focal point. It is a NO COST project to Rotary, worth over \$10,000 to UNICEF to date over the three years.

Regards
Ron

Subject: FW: Interplast Activity During 2016/17

District 9810 Clubs and individuals who have supported Interplast in the previous Rotary year; 2016 - 2017 will be delighted to know of the Interplast Programs that will be implemented this and next year.

The Committee made the decision that the contributions will support the following programs:
"Fully fund two Nurses Training Programs to the Solomon Islands scheduled for November 2017. Plus co-fund a Surgical Program to Vanuatu in April 2018.

This is all due to your generous support and the Committee sincerely thank you. An amazing transformation will occur for a number of individuals and their families. Just think of children being able to attend school while parents and others will be able to work. Medical personnel in the Solomon Islands will become more effectively trained in 'Repairing and Rebuilding Lives'. All carried out by volunteer Medical personnel who provide their expertise and time. But Rotarians ought to feel very proud of their individual and club contributions and the difference this has made.

Thank you all!

If your club would like an Interplaster Speaker then please let me know.

Yours in Rotary
PP Liz Guiver, Interplast Chair on behalf of the Interplast Committee.

MENTAL HEALTH WEEK

Dear Geoff, David, Sue and Alfred (Monash Cluster Presidents),

The Rotary Clubs of Clayton and Huntingdale are pleased to announce that we have a "Hat Day Party" using the "Lift the Lid" campaign of Australian Rotary Health arranged for 27th October 2017. The details are attached. It would be fantastic if you could promote this event amongst your Club members. We believe that this would "lift the event" and give it a Monash cluster feel!

The party is a stand up finger food and canapes affair with drinks at bar prices. It will be held upstairs at the newly refurbished Clayton Hotel. The ticket price of \$30 is very reasonable and raffles, silent auction and lucky door prizes will aid the fund-raising.

There will be an opportunity to hear about the approaches to mental health issues in the City of Monash. Funds raised on the evening will go to support Australian Rotary Health Research Fund and the Early in Life Mental Health Service at Monash Health.

Thank you for taking the time to read this and I welcome you sharing this event with your members.

FUNDRAISING

Fellow Rotarians, Charlie, Loretta and myself have been running around since Friday to organise the Trivia night and backing up for the Mount Waverley Market today. Please accept my apologies for not having the exact information relating to Trivia Night total net profit. I will present all the figures at the Wednesday meeting. It was a terrific night, and I believe everyone enjoyed themselves.

Today the market was a little windy, which kept the stallholders away. Our takings from the stallholders only reached \$675 and \$275 from the bbq/drinks.

It was remiss of me not to mention Geoff L-Smith and Philip McKenzie when I spoke last night at the trivia evening. They did a terrific job to assist Loretta & I setting up the club room so thanks so much. Without the assistance of Rotary Members, working as a team., these evenings would not go ahead. Thanks guys. Thanks also to Sean, Fiona, Loretta, Rhonda, and Charlie for helping.

Signing off to go to bed at 4.14 pm on Sunday afternoon.

Photos to come along with report to you all on Wednesday Evening

Cheers
Beth
