Presidents Report for 15th November 2017.

At Wednesday night's Club meeting we had as our guest speaker our one and only Geoff Taylor who gave us a fascinating insight into Japanese bombing of Australia during WW2 that included Darwin, Broome and Townsville, and also gave us an understanding of how the war in the Pacific evolved from the bombing on Pearl Harbor and US declaration of war on Japan. Geoff had many amazing photographs of the effects of the bombing on Darwin and Broome and included photographs of the construction of aerodromes in the remote areas WA (Corunna Downs in Pilbara) built by the allies to combat Japanese air superiority. Geoff is to be congratulated on his Presentation, involving many hours of research and preparation and who was ably supported by Terry Roche.

Our Club has received the disappointing news that Monash Council has voted to accept the recommendation of the Recreational Service team to allocate our annual Royal Children's Hospital Good Friday Golf Day to the Cerebral Palsy Education Centre (CPEC) for 4 years 2018-2021. At this week's Board meeting the Board accepted the decision and agreed to look into our options to replace this event. The Board also discussed Club fundraising options, including the short-listed activities that stemmed from our recent Fundraising Forum, meeting schedules and format, the Club Christmas party arrangements, the July to October accounts, and approved the first tranche donation to the Rotary Foundation for \$1500.00.

Geoff Taylor provided an update with regard to Mount Waverley Heights (ex Sussex Heights) Primary School and DIK indicating that he has 3 boxes of school uniforms and expects to receive some desks subject to finding space in the DIK warehouse.

The Hamilton Place market was held on Sunday and the weather was just great for the market although quite cool earlier than much sunshine. With the absence of our market stalwarts namely Beth, Charlie, Terry, Roger, Mara and Fiona we had a new team of members running the market with Rob Parke taking the market co-ordinator's role for the day and doing a great job, Adrian running the BBQ and Philip providing the tow vehicle for the trailer. Thanks also to Malcolm, Ros, Robyn, Keith, Glen, Lyn, and Judy Logie-Smith and GLS for their support during the day. Takings for the day were stallholders \$860.00, marquees \$30.00 and food and drinks \$413.00 a total of \$1,303.00 – a great result. I would like to take the opportunity to remind all Club members that when we have any fundraising/project activity and members are rostered to help that all members make a note of their required rostered dates/time. If a member is unable to attend then it is **the member's responsibility** to find a replacement and in-turn to advise the appropriate Club Chair of the change.

This week's Bulletin has notifications from Clubs in our Cluster group for up an coming fundraising events. The **RC of Glen Waverley** are having a fundraiser for Monash Health at a Chinese restaurant in Springvale on 26 November. I have attached the relevant information for those of our members would like to attend and make up a table - it sounds like a fun evening. **Monash Rotaract Club** are having a **Wine and Cheese Tasting** in support of 'End Trachoma 2020' on Saturday 2nd December. Please let me know if you would like to join me to make up a table.

I attended the Monash A & B Cluster meeting on Friday night and a variety of topics were discussed including membership growth, community projects within Monash and joint fundraising options between Cluster Clubs. Our Club is in the Monash B cluster along with Waverley, Monash and Oakleigh. Monash A Cluster includes Wheelers Hill, Glen Waverley, Clayton and Huntingdale.

Philip McKenzie attended his first District President Elect Training session on Friday night and gained valuable knowledge into District operations and the relationship between District and Clubs an important aspect for Philips up and coming President's year.

Next week we have our monthly social night and that will be held in the LOC bistro. The following week, 22nd November, we have as our guest speaker **Julia Banks MP** the Federal member for Chisholm. It would be great if we could have a good representation of members, partners and friends for that evening as it is not often we have a speaker of such calibre come to our Club as our guest.

See you at LOC.

CONGRATULATIONS & CELEBRATIONS

FOR WEEK 15/11-21/11:

Congratulations to Philip celebrating 4 years in Rotary on 20th. Happy Birthday to Robyn on 15th.

MEMBERS ANNOUNCEMENTS

MONASH ROTARACT FUNDRAISER

Monash Rotaract's annual Wine and Cheese Tasting is back and both the committee and the club are hoping to see many of our Rotarian friends at our event supporting us - **we need your help!** Please see attached for a copy of our flyer, which we hope you will **forward on to the members of your club**. We would also greatly appreciate you advertising this event at your next club meeting.

The details are as follows:

TIME: Saturday 2nd December at 7.30PM

PLACE: Glen Waverley Community Centre

SUPPORTING: End Trachoma 2020

THEME: Christmas

COST: \$35 early bird (until 18 Nov), \$270 for table of 8

We have wines from 2 wineries paired with cheeses, along with platters and opportunities to purchase wine. We will have a guest speaker (or two!) talking about End Trachoma 2020, as well as games and prizes so bring spare change. Last year was a great success, as we raised \$1500+ on the night which we were able to donate to the Queen Elizabeth Centre's Therapeutic Garden - and this was **only possible with the help of Rotarians!!!**

As most of you will know, End Trachoma 2020 is a Rotary Australia initiative, and as Rotaractors, we are doing our bit to help prevent trachoma - **so we hope you join us in the fight!** We are also intending to have Rotaractors attending Rotary meetings in the next few weeks, but I will be in touch with you when this has been confirmed.

I look forward to seeing you there!

Kind regards,

MONASH HEALTH FUNDRAISER
Marvellous Monash Night 26 Nov

Hi All

As I mentioned on the phone this afternoon, we are having a spectacular evening at a very nice Chinese restaurant in Springvale on 26 Nov. If your club could make up a table of 10, that would be wonderful. Even if you can't make up a 10 we are happy for any Rotarians to join us. I attach a flyer which gives details. It does cost \$60 per head but this includes dinner and floorshow! Bookings are either direct via Trybooking or just contact me and I will work some magic. Hope to see you there!

Jeff Steel

VALE MARGOT ALLCHIN

Dear Malcolm,

Just to let you know that Margot Allchin, wife of Charter member Dr Ed Allchin, passed away peacefully last Sunday. Margot was a wonderful family supporter of Dr Ed during his journey as a Rotarian of great distinction at our Club. Ed was a great advocate for Australian Rotary Health and St John's Ambulance.

Regards
Warren Fricke
President 2017/18
Rotary Club of Clayton

Dear members,

With sadness I wish to advise you of the passing of Margot Allchin, wife of Club Charter member Dr Ed Allchin. Members will remember that only a month or so ago it was reported that Margot had been admitted to hospital. Margot passed away peacefully last Sunday.

The funeral arrangements have been made for this Friday 10th November at St Leonards Uniting Church, Brighton at 11.30 am. The Church is situated on the corner of Wolseley Grove and New Street.

Members have already indicated that they will be attending and our Rotary Club is thankful for the support offered to the Allchin family at this sad time.

Sincerely
Warren

ROMAC - Patricio and the week's news

Hello to all our ROMAC volunteers in D9810. Patricio commenced his second round of chemotherapy as the markers and blood tests were favorable. A full three days followed for the McIntyre family and Norberto supporting Patricio through the sickness that the chemicals cause. There were visitors to Seville including Timorese friends and a Pediatric nurse who works at the Dili Hospital and is familiar with the ROMAC patients. Thursday and Friday were very quiet days for Patricio with little eating and a lot of sleeping. He had picked up by Saturday when Kay & Phil Leck visited and on Sunday he was busy around the farm and then off fishing. The success of this chemo will be checked on Wednesday and hopefully we may get started on planning their return to Timor where the final chemotherapy will be done at the Dili Hospital still under the guidance of Dr Sullivan CEO of Oncology. Here are a few photos taken during the week and a summary of Patricio's story has been prepared by Southern ROMAC and there have been presentations made to several Rotary Clubs by acting chairman Norm Casey. Looking forward to a good week and good news for Patricio & Norberto.

Norm Casey
Acting Chair D9810 ROMAC committee.

Patricio and Norberto returned to Timor 10/11/17 on Virgin Flight 1465 leaving Tullamarine at 7.55pm. **The stay and medical treatment has saved his life.** Thanks to all involved and best wishes for a long and happy life Patricio.. Norm Casey (acting Chairman D9810 ROMAC committee)
