Presidents Report – 18 October 2017

On Wednesday night we heard Kamran Khan tell us of his bike ride from Melbourne to Sydney. Kamran, a member of the Monash Roraract Club, undertook the bike ride along with 9 other riders in support of Cancer Research for Melbourne University and also in remembrance to his father who was a cancer victim in 2007. At last count Kamran had raised \$2750.00 towards his objective of \$3,500.00 and with our donation this total will be close to \$3,000.00. As an aside Kamran attended this year's RYLA programme and spoke passionately of just how his life changed from attending RYLA. Kamran is to be congratulated for his efforts in raising money for such important research into such an endemic disease.

The first heat of the **4 Way Test Public Speaking Competition** was held on Wednesday 11th October with the students from Avila competing. Terry Roche kindly gave up his Wednesday night at our Club meeting and Board meeting to represent our Club at the heats. Terry has provided a separate update on the heat results. The following week, **Tuesday 17th October**, the students from Mount Waverley Secondary College are competing with the heat commencing at 6:45pm at the Mulgrave Country Club.

A short Board meeting was held last week to discuss updates on the re-designs of the website and the membership brochure, both of which are moving forward and the placement of a Rotary plaque/wheel at the ANZAC Memorial Walkway. Committee reports were tabled and will be available on the website. Payments were authorised to the Waverley Hockey Club and Rotary International for the Polio Initiative involving the matching grants from District and the Gates Foundation.

Next **Friday 20th October** we have another Bunnings BBQ day as one of major fundraising projects. Beth is arranging the usual roster for members to help on the day.

There is a Vocational Service Seminar being held on **Friday night 27th October**. Andrew Sendeckyj and I will go along to hear more of vocational opportunities in our community.

This week is our social evening and we are dining at the Aahar Indian restaurant in Mount Waverley. The following week, 25th October, we will hear from Ros Clowes and Jeff Guy talking about their epic sea voyage around the world – will be great listening for all.

See you Wednesday

MEMBERS ANNOUNCEMENTS

YOUTH SERVICE : Rotary 4 Way Speech Contest.

Our Club is sponsoring students from Mount Waverley Secondary College and Avila College to participate in the Rotary District Four Way Speech Contest.

Last Wednesday I attended Heat 2, where Sinead Kelly and Stephanie Skafidas from Avila College competed against Students sponsored by three other Rotary Clubs. Stephanie chose the topic "Social Justice in Schools" featuring autism, while Sinead spoke about the assertion that "Melbourne is the most liveable city". The speeches were judged by two experienced members of the Toastmasters organisation Judith Callinar and Sue Forster. Sinead was the winner on the night and progresses to the semi final in two weeks. All presentations were of a very high standard, and the students were given very valuable personal feedback on their performances by the judges at the end of the night.

Next week's heat will include our sponsored two students from Mount Waverley Secondary College, with the semi final to take place during the following week.

ROMAC - Patricio and the weeks news

Hello ROMAC volunteers. During Graeme Chester's absence the following details on Patricio for your information. We were notified that discharge could take place on Friday but this was delayed waiting for MRI results and the discharge happened at 7.00pm on Saturday 7th October to the Leck family in Ferntree Gully. After sorting out holiday plans they will stay until 25th October when they will transfer to Gavin & Dianne McIntyre in Wandin.

Kay and Phil Leck are members at the RC Boronia and have had a busy time with the chemotherapy program since Monday 9th. Some Rotarian's from RC Boronia had lunch with Norberto and Patricio on Sunday. Kay Leck had an early start 8.30am on Monday with Blood test, a meeting with the Chemotherapy team and a translator to ensure Norberto understood all that was happening. The first three hour infusion went well and some new shoes were bought on the way home. Tuesday commenced at 9.30am with two infusions. Juliana translating during the Dental Inspection at 4.30pm had a peak hour trip home. Patricio requires seven teeth to have work done before phase 2 of the chemo commences. Wednesday did not start well on arrival at the hospital and the doctors had a chest x-ray taken to check his lungs before the chemo began at 3.30-6.30pm. He was sick when he got home and the feed tube was dislodged meaning another visit on Thursday to have it re-fitted. Patricio has resilience and maintains a wonderful smile. He rested on Friday and watered the garden, watched Timor TV and has been eating well.

Saturday was quiet at the start but the sunshine and some exercise soon had him back on track. Graeme will catch up with us tomorrow for morning tea and hopefully give us all the thumbs up. I will be looking after matters later in the month when Graeme is away on a trip to Japan.

Best wishes and thank you for your ongoing support for the work of ROMAC.

Norm Casey for the D9810 ROMAC Team.

MENTAL HEALTH WEEK

Dear Geoff, David, Sue and Alfred (Monash Cluster Presidents),

The Rotary Clubs of Clayton and Huntingdale are pleased to announce that we have a "Hat Day Party" using the "Lift the Lid" campaign of Australian Rotary Health arranged for 27th October 2017. The details are attached. It would be fantastic if you could promote this event amongst your Club members. We believe that this would "lift the event" and give it a Monash cluster feel!

The party is a stand up finger food and canapes affair with drinks at bar prices. It will be held upstairs at the newly refurbished Clayton Hotel. The ticket price of \$30 is very reasonable and raffles, silent auction and lucky door prizes will aid the fund-raising.

There will be an opportunity to hear about the approaches to mental health issues in the City of Monash. Funds raised on the evening will go to support Australian Rotary Health Research Fund and the Early in Life Mental Health Service at Monash Health.

Thank you for taking the time to read this and I welcome you sharing this event with your members.

Bunnings BBQ

Next Bunnings Market is 20th October.

TRIVIA NIGHT

For members who were unable to attend, what a fabulous evening you missed.

Such a clever bunch of attendees, and the results came down to the wire with one table who was so competitive and won by only one point from the Sendeckyj table.

Unfortunately, the 2016 losers repeated their efforts again this year and were joined with the Presidents table. Prizes were given all round to the Winners and Losers.

At the Rotary Christmas party, we will have a slide show to highlight the great Trivia night.
Final figures were:

Ticket sales: \$1310
Balloon Sales: \$100
Raffle: \$405
Bar: \$1003
TOTAL NET PROFIT \$2003
