CONGRATULATIONS & CELEBRATIONS

FOR WEEK 14/2-20/2:

Huge congratulations to Don on your 84th Birthday on 16th. Happy birthday to Judy on 14th.

Presidents Report for 21 February 2018.

Last week we had a good turnout of 19 members who came to listen to Marjo Angelico from the Waverley Historical Society.

Marjo described how Melbourne was originally laid out in a one mile grid pattern. With a number of arial photographs, Marjo described how the Mount Waverley area was developed, and how the location of the rail lines very largely determined the centre of each village. Photographs of just how the Wheelers Hill Hotel and surrounds have changed over the years was of particular interest as

were photographs of Hamilton place before and during the shopping centre development. Marjo's presentation was very well received and it drew many questions from the floor.

A reminder the Trachoma Live event is being held next week from the 19-25 February. For those Members who are not on face book the event will be recorded and made available on the website <https://www.endtrachoma2020.org.au/>.

Our Club visit to the DIK warehouse is Wednesday night 21st February; for those members who are making the trip please meet at 5:00pm in the car park – corner Holskamp and Stephenson's (car park next to the ANZAC walkway) where car pooling arrangements will be made. Any queries please contact Geoff Taylor.

The order form for the Wine Fundraiser is now available so please make your selections and forward the completed order form, along with the payment details, to either Beth or Loretta by 9th March. Please consider supporting this new fundraising activity as it is a very simple and straight forward way for us to raise funds for our community projects.

The Club's Board met early last week, the first for the new year, and discussed a variety of items including the website redesign, the Mayor of Monash Golf day, the Monash Children's Hospital fundraising walk, and the proposed Membership Forum. The Board expects to finalise a budget review prior to the next Board meeting.

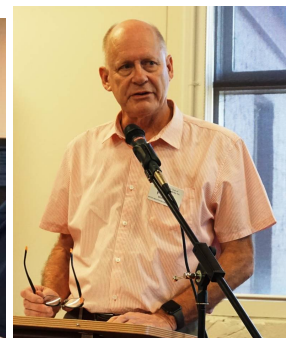

Last Friday night I attended the District Presidents meeting at the Mulgrave Country Club. Presentations were made on the District Resource Network, on a Global Grant project namely The Taveuni Eye Project in Fiji arranged through the Rotary Club of Boronia, and the Partner Membership programme. The partner membership programme is a new District innovation and will be based on the results of a pilot initiative undertaken by the Rotary Clubs of Upper Yarra and Belgrave. The aim is obviously to encourage membership growth by offering Partner or Spouse membership and the full results of the pilot will be released in April.

There is, as I understand, a small group still interested in the social outing to the Woolamai Country Races planned for Saturday 17th March. Those members still interested in going please contact me so that a final determination can be made as to go or no go.

Our next Bunnings BBQ is set down for Saturday 24th February, and Beth will release the roster next week. The next Club night is Wednesday 28th February at LOC when we will have a Community Forum to discuss our Community projects.

2. ROMAC

Dear D9810 ROMAC Team,

Lucilia Soares - Arrival 17 Mar 18

Lucilia and Her aunt, Santina, arrived safely yesterday afternoon at 5.30pm. She is a bright young girl, just turned 9, and with the help of our interpreter, Yulitta Owen, she was quickly at ease. They have both now settled in well with their host family, Robyn and Ken Dusting. After a short shopping trip this morning to get some warm clothing, they attended

Church and enjoyed morning tea afterwards with the congregation; where Lucilia zeroed in on the grapes. Tomorrow we have an 11am appointment at RCH with Lucilia's oncologist, Prof Michael Sullivan, and her Peter Mac doctor, Dr Greg Wheeler, where we will learn of her proposed treatment plan. Off to a good start.

Joana Dias Freitas

Joana will be with us soon for her heart surgery. We learned on Fri that she has been booked for a pre-admission appointment at RCH on 9 Mar, with surgery planned for 13 Mar. We now await info from ROMAC Operations on her travel arrangements.

Regards
YIR
