3. Leighoak Club (LOC) is located at 1555 Dandenong Road Oakleigh. We meet upstairs unless otherwise indicated.

## ATTENTION ALL MEMBERS

Please confirm your meeting attendance to Fiona Cleary 0410605233 and Bulletin Editor would also appreciate advices of leave dates.

**Our food donation bin for Monash Waverley Community Information and Support (MWCIS) is an important local community project for the club. Please bring to Rotary meetings a small donation of non perishable food for the donation bin, which is located in the front corner of the meeting room.**

Calendar of upcoming Club/Rotary events is in the bulletin – last page. All Rotarians please check your Market/Rotary Project commitments on this page and mark your diaries accordingly. If you cannot meeting designated commitment for the projects or for meeting chair/greeter please contact Andrew (for markets) and Terry or Glen (for chair/greeter).

## CONGRATULATIONS & CELEBRATIONS

**FOR THE WEEK 21/2-27/2:**

Congratulations to David celebrating 3 years in Rotary on 25<sup>th</sup>.

### Presidents Report for 28 February 2018.

Time is running out for those Club members who have not registered to walk or considered making a donation to the **MCH Walk 2018**. This event is one of the major fundraising efforts for our Club this year replacing the Royal Children's Golf Day. I would ask all members to think seriously about walking and/or donating to the Monash Children's Hospital to help purchase vital medical equipment that will provide the very best of care to those sick children and their families in our local community. To remind you, the MCH Walk 2018 takes place on **Sunday 4<sup>th</sup> March** and to donate or walk or both cut and paste the below links into your website browser:-

**TO MAKE A DONATION OPEN THIS LINK:** <https://mchwalk18.everydayhero.com/au/terry>

**IF YOU WANT TO WALK REGISTER HERE:** <http://www.mchwalk.com.au/>.

Last week we had a good turnout of 13 Rotarians and their guests who ventured out to the Western suburbs to visit the DIK warehouse complex in West Footscray. For those who made the journey it was fascinating to see just what happens to the huge array of donated goods including hospital beds, medical supplies, school desks, bikes, books, and clothing that make their way to various countries in SE Asia, Africa and the Pacific. Goods are generally shipped via 40' container's and on average one every 2 weeks and forward plans included shipments to Timor Leste, Cambodia, Ethiopia, South Sudan and Tanzania. I would like to thank both Bob Glindeman and Laurie Fisher for their kind hospitality and taking the time in giving us a tour of the warehouse and explaining the working of the DIK operation. Many thanks also must go to Geoff Taylor for his efforts in arranging our visit – well done Geoff. I would also like to thank those Rotarians from Monash and Oakleigh who also joined us for the visit.

Have you put your order form in for the **Wine Fundraiser**? If not please complete your order and forward, along with the payment details, to either Beth or Loretta **by 9<sup>th</sup> March**. A reminder to all members that we need your support, so please get behind this new fundraising activity.

There is, as I understand, a small group still interested in the social outing to the **Woolamai Country Races** planned for **Saturday 17<sup>th</sup> March**. Those members still interested in going please contact me so that a final determination can be made as to go or no go.

Terry Roche and I attended the District Youth Forum on Tuesday night along with Hayley Dureau (MWSC) and Anne Stephens (Avila). The Forum gave time for presentations on each Youth Programme with the majority of the presentations being made by young people who talked about their experiences in these programmes and their presentations were so very good and a true reflection of the impact our Youth Programmes have on attendees. A great night had by all Rotarians, Rotaractors, Interactors and Teachers.

I had an email last week from the Chaplain at Mount Waverley Secondary College asking if any of our members would be available to volunteer at the College's Breakfast Club. The Club runs from 7:45am -8:30am Monday – Thursday and the volunteer role would be helping to set-up and pack-up of the Breakfast Club program and engaging with students through conversation and games. I realise that only a small group of members would be available to help and certainly we could not offer 4 days a week, maybe a day a week. I believe that this is a great opportunity for us to be of service to our local community and in particular to our young people. I will find time for us to discuss the request at next week's Community forum.

We had our Bunnings BBQ at Notting Hill on Saturday and if my memory serves me right we had some 10 Club members volunteer their services during the day to help run this first Saturday BBQ. It was a hot and humid morning but that did not stop the public buying plenty of sausages and as one of the cooks I can attest to that by the number of sausages and onions that were cooked. Early figures from Beth indicate that we grossed over \$1100.00 in sausage sales - a great day. Thanks again to Beth and the team for all their help.

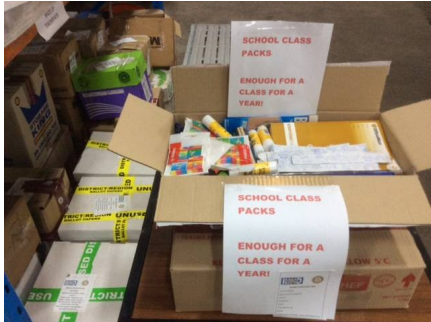

The Education First Holmesglen Youth Foyer is having an open morning next Tuesday 27<sup>th</sup> February showcasing their programmes. Beth, Loretta and I will be attending to find out more of their youth programme and look at ways we can assist these programmes.

This week's meeting, Wednesday 28<sup>th</sup> February, will be at LOC and we will have a Community Forum to discuss our Community projects

See you there.

Geoff

# PHOTOS (compliments Charlie and Ros)

## BLAST FROM THE PAST

Glen,

On the weeks that I don't attend a meeting, usually the 3rd. meeting of the month, I propose to go through my files and start a history page entitled "Blast from the past". Many of these photos will contain past members, some of whom are no longer with us, but all have been part of the club since its inception. It will show current members how some of our present day members including yourself looked years ago.

Adrian

### Editors Note:

**IF MEMBERS DO NOT wish their old photos to be published by Adrian please advise me by 5pm Sun 4<sup>th</sup> March. Thanks, Glen.**

Subject: RE: Coins from Mt Waverley

Dear Adrian

Your coins weighed 2.2kg, worth about \$70, so I am now up to 54.8kg, close to the 60kg we need to send off the next batch to UNICEF. I know it is mainly your efforts but please pass on my thanks to the club, we really appreciate your clubs continued involvement.

Regards

Ron UNICEF foreign coin coordinator

### **PERIDOT FUNDRAISER**

From: [Ron Brooks](#)

Sent: 19 February, 2018 9:26 AM

To: '[Adrian Clifford](#)'

Subject: FW: Flyer for Peridot – 84 Charing Cross Road

Dear Adrian

We are having a Charity Fundraiser at Peridot again this season. Though I think you told me your club has a standard booking for the year. However, here it is. We give \$5 back to the club for every ticket sold. It is \$22 per ticket.

We supply sherry pre theatre, free tea/coffee/biscuits at the interval then free wine/beer/soft drink after the show plus sandwiches/cakes etc. Refer attached flyer.

Regards

Ron

### **ROMAC Subject: R-1125 Lucilia - Update**

Dear D9810 ROMAC Team,

Lucilia had her first appointment at RCH this morning and met the medical staff who will be managing her case. In the attached photo they are RCH Prof Michael Sullivan, RCH Oncology Nurse Jayne Harrison, Peter Mac Dr Greg Wheeler, and RCH Dr Julie Cayrol.

Lucilia has been diagnosed with a nasal phasogege carcinoma which has been significantly reduced by the chemotherapy she has received at the Dili Hospital but which will now require radiation to stop it continuing to grow. The radiation treatment at Peter Mac is expected to go for 6 weeks, M-F, for 40 mins per session. She will visit Dr Wheeler at Peter Mac on Wed for further tests and creation of a mask which she will have to wear during treatment. At that time we will learn when her treatment will start. After the radiation at Peter Mac she will have a further 2 sessions of chemo in Dili to finalise her treatment. There is then a very good chance that the cancer will not grow back, although a 100% guarantee cannot be given.

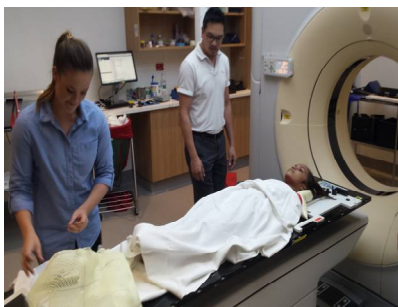

At present Lucilia has no symptoms and is as well as can be expected; although well below percentile for her weight and height. We have a mission to fatten her up! The radiation treatment itself is not painful but towards the end of the 6 weeks treatment she may experience a swollen and sore throat. This may require her to be fed by nasal gastric tube, or hospitalisation in RCH if necessary. However, this will all settle down before she returns home.

As you can see in the attached photo, she is a bright little girl who happily accepted some fancy head wear from Jayne the Oncology Nurse and who enjoyed meeting the Meerkats.

A day of changing fortunes today (Wed 21<sup>st</sup>). Lucilia was a little off her appetite this morning but had fun joining host mum Robyn in a dance group.

On Wednesday she visited Peter Mac for a meeting with Dr Wheeler to have some preparatory work done prior to her radiation treatment – the creation of a foam shoulder/neck/head rest and a face mask. The head rest is to make her comfortable and still during the 40 min radiation and the mask is so that marks can be put on it to direct the radiation to the correct spot. The foam head rest and mask are clearly visible in the attached photo. Dr Wheeler advised that he will be planning her treatment next week and that it is likely that her radiation will commence the following Mon.

At the meeting with Dr Wheeler, host mum Robyn drew his attention to the fact that she thought that Lucilia had a slight fever. This was confirmed by Dr Wheeler and he made arrangements for her to visit Dr Sullivan at RCH for a check up and possible medication. As it turned out, Lucilia was admitted to hospital with a possible chest infection and heart ailment. Santina, her guardian, will remain with her in hospital and more tests are scheduled for tomorrow.

The good news is that Lucilia had a good day yesterday (Fri 21st) in RCH and she is being discharged home to Robyn and Ken this morning. She even ventured to the outdoor playground at RCH yesterday and was introduced to the wonders of her first Macca's (note photo). Well the doctors did say she had to put on some weight!!

Her temperature came down yesterday after her antibiotic treatment and tests have shown that she did not have an infection. An ECG did however show a thickening of one of her heart valves. This is of no immediate concern but another ECG will be taken after she has finished her radiation treatment at Peter Mac.

She also had a previously arranged MRI whilst in hospital to get a good 'picture' of the neck tumour (nasal pharyngeal carcinoma) in order to assist with 'aiming' the radiation treatment. It showed that the tumour is 'dead' but the MRI could not detect if there are any tumour 'seeds' present, by which the tumour spreads through other tissue. The aim of the radiation is to stop these 'seeds' from spreading and developing. However, what the MRI did also detect is that the tumour had infiltrated two of her neck vertebrae, which have compressed slightly, limiting her sideways and up/down movement. An Orthopaedic doctor has been called in to advise what other treatment may be required. There will be a meeting with Dr Sullivan, her oncologist, and the Orthopaedic doctor, at 1pm Monday at which time we will get a better idea of her treatment plan.

In the meantime, Lucilia and Santina will have a quiet weekend home with Robyn and Ken. Over the last few days Lucilia and Santina have experienced a lot of new and scary things occurring to them and I am extremely grateful for the support of Robyn, Ken and Yulitta (one of our Tetum interpreters) who have been with them every step of the way.

Regards  
Yours in Rotary  
Graeme

Subject: RC Monash Events

Dear Presidents,

Following on from our recent Cluster Presidents Meeting, please find attached flyers and booking details below of three upcoming events that may be of interested to some of your members and their networks:

- Buying your First Home Seminar on 27 February 2018: book via - <https://www.trybooking.com/TOEP>;
- International Women's Day Business Breakfast on 6 March 2018: book via - <https://www.trybooking.com/UECA>;
- Wills, Powers of Attorney and Estate Planning Seminar on 26 March 2018: book via -

<https://www.trybooking.com/UDWU>

If you could kindly distribute that would be greatly appreciated.

Kind Regards

Kehela

President, Rotary Club of Monash

#### **CALL TO ARMS - Monash Children's Hospital fundraising walk** **ALL Members**

The Monash Children's Hospital fundraising walk on the 4th March 2018 is a little over a week away. Our club's involvement this year and in future years replaces our Good Friday Charity Golf Day, which has been taken on by another organisation.

In the past almost all members have made some contribution to the Good Friday Golf day, either by donating or assisting on the day, or both. So far, only about one third of our members have shown interest in the Monash Children's Hospital Fundraiser Day. I would really like to see all members supporting this day in some way. This year, we have a special theme for the day, and we are calling it the "WALK FOR WILLIAM DAY" I have spoken to you previously about this theme. You can support this day by registering for the walk, either 5KM or 10KM at a cost of \$30, or donating via the website, or via me and I will forward the donation, or by assisting us on the day with our catering for the walkers. Or all of the above if you like!

Information about the day is on our website, and in our weekly Bulletin, or you can ring me. We want to make this walk a feature fundraising event in our calendar. This is a community activity, assisting an excellent local cause directly, the type of activity that I believe the majority of our members prefer to support.

Let's all get behind this and not just leave it to a few members.

Regards, Terry

## CALENDAR/PROGRAMME

If you are aware that the nominated chairperson will not be available please let the bulletin editor know asap. For venue addresses - please refer page 1 of this bulletin.
