Presidents Report for 31 January 2018.

On Wednesday night we had 18 members and guests for our celebration of Australia Day. The guest speakers were the 2017 Mount Waverley Secondary College Captains, Neha Salahuddin and Campbell McGown. Both Neha and Campbell spoke passionately about Australia Day, how they saw the celebration in relation to their own experiences as young Australians, what they as Australians do on Australia day, and the importance of being Australians and accepting people from differing cultures and sharing their values. Mount Waverley Secondary College is a prime example of cultural integration in Australia with nearly 2000 students with many from differing backgrounds and cultures but who have all brought something unique from their heritage to share amongst all students.

I also had the pleasure of inducting Miranda Daniels as a member of our Club and we all look forward to sharing Miranda's passion and enthusiasm for Rotary. Miranda will be mentored by Glen Watkins over the ensuing 6 months and will be actively involved in with our Club website/face book, and promoting fundraising activities.

Beth Merkus confirmed that the wine fundraiser will be held in February/March with a selection panel of 'wine experts' from the Club tasting a range of up to 6 wines that will be made available for members to purchase. Order forms will be available in February so that members can place their orders.

Robyn Morrow re-confirmed that arrangements for the MCH Walk 2018 'Walk for William' are well under way. The website is now up and running including the links to enable members, family and friends to make donations to the Hospital and to register for the walk. Once again the links are detailed below:

IF YOU WANT TO WALK REGISTER HERE: <http://www.mchwalk.com.au/>

As I have previously mentioned work continues with the upgrade to our Club website. Gordon Chase has loaded most of our changes to the website with some minor adjustments still to come. The existing website is still current, until the new one is finalized, however there is a link to the proposed new website on the front page of our current website, just click on link **New Website – sneek peak**.

I have included in this week's Bulletin an email from the RI President, Ian Riseley, summarising RI activities for the first half year. There are also invitations from the Rotary Clubs of Glen Waverley, **International Women's Day with guest speaker Dr Susan Alberti AC**, and Clayton, **Victorian Heart Hospital with guest speaker Anne Mennen**. Let me know if you are interested in attending.

Please put in your diaries that the next **Hamilton Place Market** will be held on Sunday 11th February, the first for the 2018 year, and the first Bunning BBQ of the year is on Friday 24th February. Beth will be seeking held from members.

This week we will have Giovanni Agosta, from the Nottinghill Karate School, as our guest speaker.

See you at Leighoak.

Geoff

IMPORTANT NOTICES

1. KEEP THIS DATE FREE: SUNDAY 4 MARCH 2018

Sunday 4 March is Walk for Monash Children's Hospital day. The event is to be held in Jells Park and involves walking or running 5kms or 10kms in a non-competitive fun environment. I would like our club to get behind this fundraiser, which is clearly focused on a very worthwhile project in our area.

What makes this walk special? Apart from the value of supporting a new hospital in our area, one of our members has a special connection to this hospital. President Geoff Logie-Smith's grandson William was born in this hospital, and as we know, William sadly succumbed to serious illness earlier this year. In his last days he was admitted to Monash Children's Hospital and passed away peacefully. He was just three years old.

I am proposing that we get behind this fundraiser walk. Let's call it **"WALK FOR WILLIAM DAY"**.

Geoff has agreed to have our efforts named in William's memory.

Community Chair Robyn Morrow has agreed to co-ordinate arrangements for a walk by members and friends of our club. Robyn's Committee will announce the details of how our participation and support on the day will be recognized on the day as The Rotary Club of Mount Waverley Walk for William, (or similar) as part of the major Walk for Monash Children's Hospital day. More details will appear in the Bulletin in coming weeks. This is an early note for your diary. The official website for information is www.mchwalk.com.au/

Dear fellow Rotarians,

As we pass the halfway point of this Rotary year, it's time to take stock of what we've achieved so far and what we still have to do. The [Rotary Citation](#) is not only an honor, but also a useful tool that helps clubs plan their service. Club leaders will receive an achievement guide by email in mid-March, with valuable resources to help you reach your goals. If you're on track to receive a citation, congratulations! Your club is well on its way to a very productive year.

Here in Evanston, we are working hard to achieve the goals that Rotarians have laid out for us. In a Rotary-wide survey of Rotarians and Rotaractors, 90% of respondents asked for improved training, better methods to connect with other clubs, more planning resources, and better online tools. In response, your 2016 Council on Legislation passed [a \\$4 dues increase](#) that is now allowing us to invest in the improved resources, processes, and technology you've asked for.

One of the many improvements we've made (and are continuing to make) has been to Rotary Club Central, which has been completely redesigned to be faster and easier to navigate. As you already know, this year we are asking all Rotary clubs to submit two numbers to Rotary: the number of volunteer hours worked and the money invested in service. The fastest and easiest way to submit these numbers is through Rotary Club Central. If you're already tracking your projects using Rotary Club Central, make sure you've entered the number of volunteer hours and amount spent for each project you're tracking. Otherwise, remember to enter those two key numbers in the Goal Center, under the Rotary Citation tab.

On 23 January we will unveil changes to the global grant reporting section of the [Grant Center](#). You'll find that the report has an updated look, its content has been aligned with the global grant application, and the financial portion will be much simpler to use. We hope these changes will make it easier for clubs to report on the tremendous work that they accomplish through global grants.

One of the new initiatives I'm most excited about in this Rotary year is the Group Cultural Exchange program, a type of [Rotary Friendship Exchange](#) that brings together international teams of Rotarians, non-Rotarians, and young professionals. [Contact](#) your district's Rotary Friendship Exchange Committee Chair for more information about exchange opportunities through your district. If you have questions, or an experience you'd like to share, contact rotary.service@rotary.org.

Depending on where you are in the world, it may be the right time to [plant your club's trees](#). Not only is planting trees one of the best things you can do for the environment, it also brings you one step closer to your Rotary Citation. Be sure to plant your trees by 22 April (Earth Day), and take care of the trees you've planted until they're thriving on their own.

There's still time to register for one of six [Presidential Peacebuilding Conferences](#) designed to help us better understand the connections between Rotary's six areas of focus and our commitment to building peace. The conferences will be hosted between February and June in different cities across North America, Europe, Australia, and the Middle East.

Looking ahead, it's not too early to start planning your trip to the Rotary International Convention in Toronto, Canada on 23-27 June 2017. [Register online by 31 March](#) to receive the discounted preregistration rate, and find Inspiration Around Every Corner in Toronto!

Finally, let's not let January pass without a reminder of Vocational Service Month. Vocational service is one of the unique aspects of Rotary that makes us so effective. Our updated [vocational service](#) handbook is a great resource for those new to the idea of vocational service, and those who want to bring it more fully into their everyday lives and service.

We all know that Rotary would not be the organization it is without the dedication of our club presidents, district governors, coordinators, directors, trustees, and other leaders all over the world. Because of your hard work, Rotary is truly Making a Difference in the world, so thank you.

Sincerely,

Ian Riseley
Rotary International President, 2017-18
