Presidents Report – 6 September 2017

Another great night at Waverley Industries last Wednesday night and we had as our guest speakers, Avila students, Hanna and Jessica; both students were accompanied by their respective mothers namely Cathy and Jenny we also had the pleasure of Christine Valladares from the Avila teaching staff. Christine is the important link between our Club and Avila has been a vigorous supporter of our Club and the Youth programmes that we offer. Both Hanna and Jessica spoke of their enjoyment in attending MUNA but also of the great benefits that being involved in MUNA provided them individually.

We also held our Club AGM and on completion of the formal proceedings I can report that the following Club members were elected as Officers and Directors for our Club in 2018-2019:-

President: Philip McKenzie

Vice President: Lou Paola

President Elect (2019-2020); Beth Merkus

Treasurer: Lyn Walker

Secretary: Paul Power

Immediate Past President: Geoff Logie-Smith

Congratulations to those elected to these important roles within our Club structure.

Next week we have as our guest Debbie Shiell who is the Foundation Director at Monash Health. The following week, 13th September, we have a change in our meeting plan and instead of a 'Member behind the Badge' presentation we will run a **Club Forum** concentrating on idea generation for new fundraising projects. As you all know fundraising is vital to the long term survival of our Club and if we are to grow as a Club and provide more Community projects we need to grow our fundraising programme. Please come prepared to put forward some great but practical fundraising ideas for Robyn and Beth to consider.

Following the main meeting there will be our usual monthly Board meeting.

In this week Bulletin there is an important email from our District 9810 Vocational Chair, Don Sweeney, in relation to the Victoria Police mentoring programme. Don is asking for 4 Rotarians to volunteer as mentors to senior sergeants for the 12 months from October 2017. If there is a Club member who would like to become involved in this programme can I suggest that they contact Andrew Sendeckyj initially to gain a first-hand understanding of just what is involved. A reminder once again, we have the **Trivia night on Saturday 7th October** and the **Calcutta night on the 1st November**. Both of these nights are major fundraisers for our Club and your support is welcomed along with friends and family to make both of these nights' successful events for our Club.

Please note that we are back to **LOC** next week, the 6th September, for our first meeting in Spring.

See you next Wednesday

Subject: FW: Victoria Police Mentoring Project - Calling for Nominations

Dear 9810 Presidents,

The Victoria Police Mentoring Project will be commencing again shortly and nominations are now being sought from Rotarians to become mentors to senior sergeant police officers for a period of 12 months from October 2017.

For this year, we need a total of four Rotarians who live or work close to the following areas: Mount Martha, Mordialloc, Mont Albert or Parkdale. These areas have been specified by the officers who have been selected for the program.

This project was initiated by Victoria Police and is an exceptional Rotary Vocational Service project. It has support from the highest level of Victoria Police and is considered a critical part in the preparation of senior officers for their management role within the Force.

Two files are attached:

1. A flyer which announces the project with some brief details to generate interest; and
2. A Project Guidelines document that provides more in-depth details of the program and explains the nomination process.

It would be much appreciated if you could circulate the Flyer and Guidelines to members AND follow up with any members who express interest in the program.

In normal Rotary fashion, a little encouragement/pressure can work wonders - nearly every Club would have members that would make excellent mentors in this program.

Thank you

Don Sweeney

Yvonne Upton Update

Following a meeting this week with Yvonne, I am pleased to report that the Butterfly project has now been expanded to seven police stations in the Fawkner region. Yvonne has caught up with police officers in each station and they are now on board to get bicycles to the Butterfly project.

Bicycles for Humanity, another Rotary project, which send bikes to needy people in Africa have contacted Yvonne as well. They only send adult bikes to Africa and have offered to pass on the many children's bikes they receive to Yvonne's project. WooHoo!!! They have also invited Yvonne to travel with them to Namibia next year to see how they go about their distribution process. This is something Yvonne is seriously looking at doing. She has been to Africa many times, as her sister lives on a farm in South Africa. The seed for the Butterfly project was planted in her mind there when she saw the sheer joy and pride of a young South African farm worker when he was given a beaten up old bike. It was the best thing he ever had and changed his life.

Yvonne was nominated and is now a finalist for the Australasian Council of Women and Policing Awards, which are being held in Cairns in September. She has been invited there and will participate in the International Women and Law Enforcement Conference being held at the same time. She's certainly had a big year and attributes no small part to the things she's learned in this Rotary/VicPol program.

The VicPol Leadership Mentoring Program is now looking for mentors for the 2017/18 intake. I urge all club members to get involved as the experience has been great for me as a mentor. Yvonne and I have decided to continue our meetings even though the program is coming to an end. She would also like to come to our club as a guest speaker after September to talk about the Butterfly project.

Andrew Sendeckyj
Vocational Chair.
