Presidents Report for 7 February 2018.

We had 17 members present at LOC last Wednesday night to hear from our guest speaker Giovanni Agosta the Head Instructor of the Battistello Shukokai Karate School in Oakleigh East Dojol. Giovanni shared with us his passion for Karate and the martial arts and gave us an insight into the work he does with the school. He also mentioned his exposure to Rotary through his parent's involvement both in the Philippines and here in Australia with the RC's of East Malvern and Donvale. Giovanni has been a Rotaractor and a RYLA graduate having attended the programme in 2013.

The wine Fundraiser is happening with suitable wines now selected by our panel of 'wine experts' and 6 wines will be available to purchase. Beth should have order forms available next week.

A reminder to all members that Adrian is always looking for used stamps and please keep those foreign coins for his coin jar that is circulated at our meetings. For those with stamps please give them to either Adrian or myself over the next 2 weeks so that I take them to at the District Presidents meeting on the 16th February.

The Club visit to the DIK warehouse is Wednesday night 21st February. As part of the visit a meal will be provided to members at the cost of \$25.00 (BYO drinks) and to simplify arrangements would those members who intend joining us for the DIK visit please pay the \$25.00 in advance of the night to Fiona on either the 7th or 14th February. As Geoff Taylor has previously mentioned car pooling will be the simplest way for members to get to Footscray.

Robyn Morrow provided details on the Trachoma Live event being held 19-25 February as part of the 'End Trachoma by 2020' project. This is a significant Australian Community project and we as a Club will be placing our full support behind the project. I have taken an excerpt from a previous email received from our District Governor, Malcolm Chiverton, which gives some background: -

'In February 2018, a series of short Facebook Live Videos will be conducted with specialist speakers from around the world, including RI President Ian Riseley, giving context to the trachoma problem in Australia and what Rotary is doing to address it. Most importantly, the Facebook Videos will outline service opportunities for Rotarians and Clubs in your District. The videos are currently scheduled to start on Monday 19 February 2018 at 5 pm AEDT and will continue daily for 7 days. Each episode is expected to last around 10 minutes'. Please take time to have a look at the videos.

The upgrade to our Club website is reaching completion with a couple of minor changes still to be made. You can view the proposed website by clicking on New Website – sneak peak on our current website.

As a reminder we have our Hamilton Place Market on Sunday 11th February and Bunning BBQ is scheduled for Saturday 24th February.

This week we will have as our guests Bianca Joyce and Cecilia Ofiadonu, from Holmesglen Youth Foyer who will give us an insight into the work they do with young people in our community.

I will be attending a Monash B Cluster meeting next Friday and I will take the opportunity make mention of our fundraiser with the MCH 'Walk for William' seeking additional support from RC's Monash, Wheelers Hill and Waverley. At this meeting I will also be pushing for a continuation of our plans for the joint Volunteering Forum along with the Rotary Clubs of Monash and Waverley, a forum that is of much importance for our Club's future and securing our healthy membership base.

See you at Leighoak.

3. KEEP THIS DATE FREE: SUNDAY 4 MARCH 2018

Sunday 4 March is Walk for Monash Children's Hospital day. The event is to be held in Jells Park and involves walking or running 5kms or 10kms in a non-competitive fun environment. I would like our club to get behind this fundraiser, which is clearly focused on a very worthwhile project in our area.

What makes this walk special? Apart from the value of supporting a new hospital in our area, one of our members has a special connection to this hospital. President Geoff Logie-Smith's grandson William was born in this hospital, and as we know, William sadly succumbed to serious illness earlier this year. In his last days he was admitted to Monash Children's Hospital and passed away peacefully. He was just three years old.

I am proposing that we get behind this fundraiser walk. Let's call it "**WALK FOR WILLIAM DAY**".

Geoff has agreed to have our efforts named in William's memory.

Community Chair Robyn Morrow has agreed to co-ordinate arrangements for a walk by members and friends of our club. Robyn's Committee will announce the details of how our participation and support on the day will be recognized on the day as The Rotary Club of Mount Waverley Walk for William, (or similar) as part of the major Walk for Monash Children's Hospital day. More details will appear in the Bulletin in coming weeks. This is an early note for your diary. The official website for information is www.mchwalk.com.au/

We need your help to contact every Rotarian in District 9810. We have a 'star-studded' line up for our [Trachoma Live](#) event to be held 19-25 February 2018. And with your assistance, we want to contact everyone in District 9810 to invite them to join this wonderful opportunity. Our own RI President, Ian Riseley, headlines our list of distinguished presenters! Please promote [Trachoma Live](#) in your Club Bulletin, Newsletter, Website, Facebook, and encourage your members to participate.

The purpose of the 'EndTrachoma by 2020' [Trachoma Live](#) event is to inform, communicate with, and enlighten as many Rotarians and friends about Trachoma in Australia.

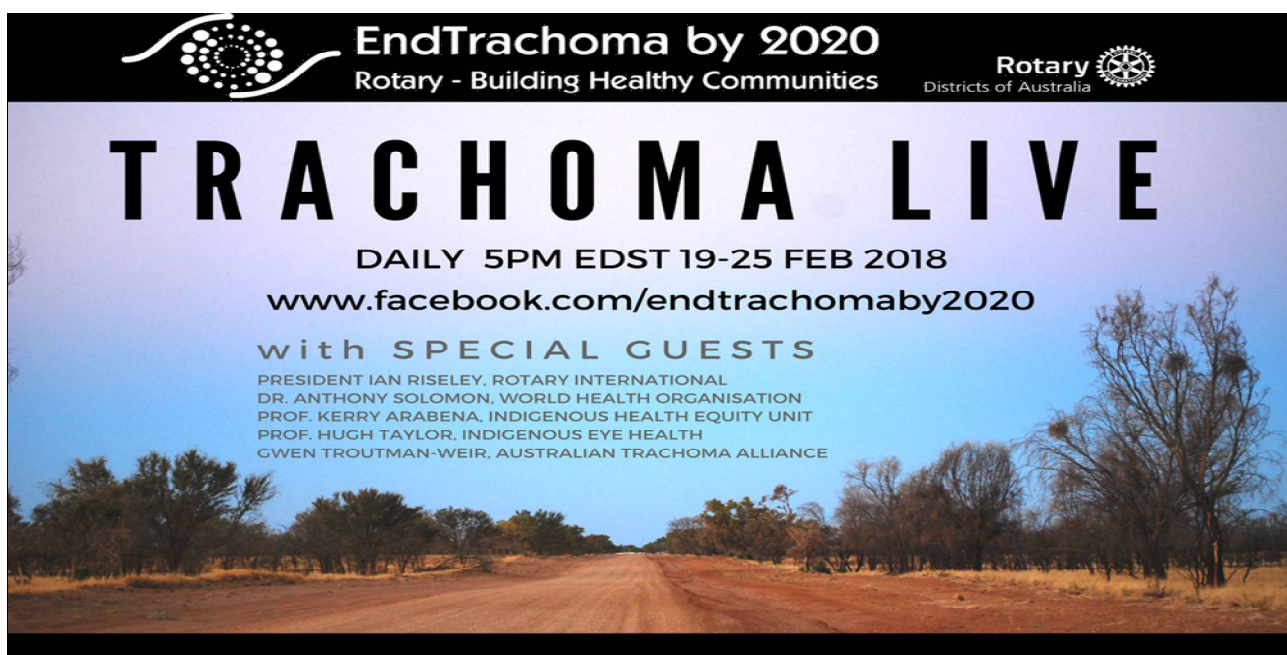

How great would it be if every Rotarian in D9810 fully understood the situation with Trachoma, and joined us on this journey to elimination! With your help, this becomes possible!
