### Presidents Report for 7 September 2016

Well this week has gone well, A slightly quieter email and phone week for me, but a very interesting Rotary meeting with Sergeant Roger dipping into our pockets and taking \$28.00 in fines. Beth beat him the week before by \$4.00 but then women are always good at getting money from us poor blokes. We had a very interesting speaker in Alison Lyall who does Cartography with Lonely Planet. Alison showed us how the books are laid out and the maps created .Over the years I have found them very handy. Beth has done it again with her willing helpers, and over \$700 was taken at the Notting Hill Bunnings sausage sizzle. Don't forget the Trivia Night on 8th October. Buy your tickets now as it is nearly booked out. Also Calcutta 26th. October is starting to fill up. And if anyone knows a safe parking area for Oakleigh Rotary Caravan please let them know. Next week we are inducting a new member Margot Eaton and Sally Douglas from Womens Resource Centre Cambodia is our Guest Speaker.

Regards Keith

### **MEMBERS ANNOUNCEMENTS**

#### **ROMAC**

Bradley Bola - Update

Bradley had his MRI at Knox Hospital last Wed. His neurosurgeon, Mr Chan, has reviewed the scan and report and an appointment has been made for Bradley to see Mr Chan next Monday afternoon. We will be advised at that appointment if any further treatment is needed. Bradley is still suffering from the headaches but hopefully we are getting closer to resolving what is causing them.

Norm Casey will be back by Monday and will take over the management of Bradley's case again. On that note, Norm will also be filling my Chair D9810 ROMAC Committee role for the next seven weeks whilst I am away.

Regarding a couple of our other patients:

- Anton is thriving and putting on weight at home in Timor Leste, if a photo that Dianne and Bill Sides got this week is any indication.
- Talitha Tagu's pending arrival from PNG is still being held up with visa problems and it could be some time yet before we see her.

Regards

YIR

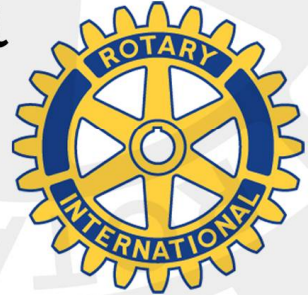

Graeme Heath
