Presidents Report for 8th November 2017.

19 members attended last Wednesday night's meeting and once again we had the pleasure to have Senior Sergeant Yvonne Upton from Fawkner Police Station as our guest speaker. We also welcomed our AG, Bronwen Lamond, and Miranda Daniels who came at the invitation of Robyn Morrow and Keith Kendrick.

Senior Sergeant Upton gave us a further insight into the work that she has been doing with her 'Butterfly' project and her latest link with 'Bicycles for Humanity'. This charitable organisation provides bicycles to people in need in Africa and in particular Namibia and Zambia. Yvonne is in fact undertaking a bike ride around Namibia in August 2018 and we wish her well on the ride. Yvonne presented Andrew Sendeckyj with a Certificate of Appreciation for the work Andrew has done in his mentoring role with Yvonne and VicPol.

Glen Watkins sent me an email that he received from the school uniform coordinator at Mount Waverley Heights (ex Sussex Heights) Primary School enquiring as to how to donate old Sussex Heights logo uniforms. I made contact with Geoff Taylor who in-turn made contact with the school coordinator. The school is currently going through a rebuild and Geoff is hopeful that the uniforms and maybe even some desks will become available for DIK. Thanks Geoff.

The Grand Final of the 4 Way Test Public Speaking Competition was held last Tuesday night and the great news is our Club's representative in the final, Sinead Kelly from Avila College, won the final. I would like to take this opportunity to congratulate Sinead on her excellent achievement and I have extended an invitation to Sinead to come along to our meeting on 29th November. Our thanks go to Margot Eaton and Terry Roche who made the time to attend the grand final and enjoy the hospitality of the RC of Croydon.

We welcome back Robyn Morrow and Keith Kendrick from their Mediterranean adventure and look forward to hearing of the highlights. Loretta Crew is still missing in action and we pass on our best wishes to Loretta for a quick recovery. We all like good news and it was great to hear that Rob Parke and his partner Joan are marrying on 23rd December. On behalf of all Club members I would like pass on our best wishes to Rob and Joan.

The Hamilton Place market takes place on Sunday 12th November; Beth Merkus and Charlie Keidge will be absent from the market as will Terry Roche and Roger Mould. Rob Parke has kindly stepped into Beth's role as market co-ordinator for the day and Philip McKenzie has offered his services to deliver/return our Rotary trailer on the day – thank you Philip. Extra manpower will be provided by Keith Kendrick who will help with the set up and close down and Glen Watkins who will also help in the market close down. Shift times are am 7:30 to around 9:00am and close down 12:30 to 2:00pm.

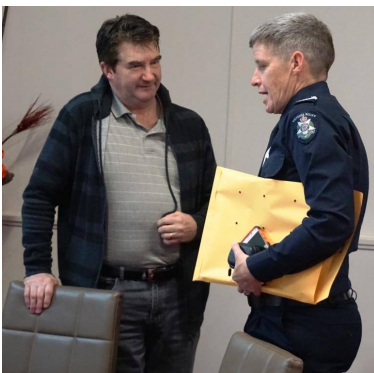

Next week we have Geoff Taylor as our guest speaker on the subject of the 'Bombing of Darwin', and there is also a scheduled Board meeting being the last before the Christmas break. The Board meeting will commence at 8:00pm sharp as there is a large number of agenda items that need to be covered.

The following week we have our monthly social night and that will be held in the LOC bistro.

See you at LOC.

Project Overview

- Each year on average 1.5 million bicycles are sold across Australia, it is estimated at least half of that number are unused or abandoned.
- A bicycle is a life changing object, it can open doors to education, economic opportunity and the wider community, it can provide a change in circumstance that is both profound and lasting.
- On average 90 bicycles pass through the Fawkner Property Office each year.
- There are 329 Police Stations across Victoria, using an average of 50 bicycles per station, there are 16,450 that could go to better use – change a life!!!!

MEMBERS ANNOUNCEMENTS

COMMUNITY

Greetings,

I have received the attached email from Kathy Kaplan who was a guest speaker at one of our meetings last year and for whom we made a donation of a few gifts and donated funds to enable a warning device to be purchased and given to woman at risk of family violence.

I assisted at one of their gift wrapping and distribution activities last year and found it to be a worthwhile experience. I have attached the details and if you thought it appropriate to attach it with the next bulletin and see if any members may wish to help out.

I know that Andrew & I did briefly discuss whether we could help this cause which is an on going problem.

Cheers,
Adrian

Thanks Adrian for the email and information on Impact's 'Bags of Love' event in December. I will ask Glen to include details in this week's Bulletin and in particular asking for any Club members willing to offer their help on the nominated days.

Cheers

Geoff

Good Day

First of all let me apologise for the late contact regarding an upcoming event in Oakleigh that has been supported by the City of Monash.

On Thursday 9 November we are co-hosting a concert at the Caravan Music Club, Drummond Street, Oakleigh – refer attached flyer. The Dust of Uruzgan is a music and screen experience in recognition of the Australian Defence Force personnel engaged in the Middle East – particularly in Afghanistan. Any surplus funds from this concert will be returned to the Young Vets to support programs – especially for those medically discharged, who are struggling with their return to civilian life.

Would you be so kind as to mention this to your members at the meeting tonight and next Wednesday? If you have further queries please do not hesitate to contact me.

 A gentle reminder to join us on Thursday in our recognition of all ADF Personnel recently deployed to the Middle East. Monash Council and the Caravan Music Club present:

DUST OF URUZGAN – A concert where verses and images collide in an intimate account of Australians deployed to Afghanistan - thus providing a moving appendix to the Australian Story "A Sappers Lullaby"

Door Open 8pm; Show 8.30pm Thursday 9 November 2017
Caravan Music Club at the RSL Memorial Hall
Oakleigh Carnegie RSL
95-97 Drummond St Oakleigh

Bookings
Ph 9568 1432
<http://www.caravanmusic.com.au/gigs/dust-of-uruzgan/> or <https://www.trybooking.com/book/event?eid=323218>

Reserved Seating Tickets \$20; \$18 Concession card holders, RSL members and past and present ADF personnel. Please advise the Caravan Music Club of those wishing to be seated together so that tables can be allocated accordingly.

Pre-show Dinner?
Call Sue Wilson on 0457 000 058 for pre-show meals bookings at the Onion Patch Bistro [adjacent to the Caravan Music Club] to take advantage of Thrifty Thursdays when main courses are all \$18.50. Other nearby pre-show dinner options – consider Eaton Mall Restaurants.
NOTE No meals will be served in the Caravan Music Club during the show.

Any surplus from the ticket sales, after overheads, will be returned to programs to support Young Vets – many of whom are struggling with Post Traumatic Stress; and far too many giving up completely.

ROMAC - Patricio and the week's news

Dear D9810 ROMAC Team,

Hello to all our ROMAC volunteers. Today we were at the RCH to see Patricio commence stage two of his chemotherapy after the blood tests showed progress and the tumour markers decreasing. A very happy boy is now an egghead and he is so proud after Gavin McIntyre gave his head a shave as requested. He is now a partner with all the other children in the cancer clinic where the chemo takes place. He has put on weight, has had a wonderful few days with his new hosts Dianne & Gavin McIntyre on their farm in Seville. Patricio loves feeding the cattle, and sitting kangaroos and a fox. His father Norberto a motor mechanic loves the farm equipment and helping with the mowing. A ride on Puffing Billy on Saturday followed visits to a Wandin Rotarian's to collect the eggs.

It was an early start to be at the hospital for blood tests before a meeting with the treating doctor, and after a good result starting stage 2. His games of UNO with Dianne, and a school session preparing for Halloween helped the three hour process. The head of oncology Dr Sullivan discussed progress and a review of progress next week to assess his ability to return home to Timor. The members of the D9810 committee continue the presentations to Rotary Clubs and the search for volunteers and funding for this life saving Rotary Project. Norm Casey acting chair D9810 ROMAC committee.
