### Presidents Report for 16 November 2016

9th. Nov. meeting was held at the Waverley RSL with the Waverley Rotary club. We had a short meeting, then Geoff Logie-Smith gave a talk and slide show on his visit to France and the Western Front. It is a sad talk when you remember 7.5 Million men died in a war that was to end all wars. But we never learn from our mistakes, because not many years later we were into the second world war and we have been fighting wars ever since and will probably continue to do this forever. I have always been an optimist, but I worry about our future generations. Maybe we should have mothers running the world. On a lighter note this week is a social evening where we will relax and talk, eat and drink in moderation. The week after it is very important that all members come to the meeting as it is our AGM and we have many new important items to discuss this year.

Regards Keith

**FUNDRAISING – Mt Waverley Rotary Village Market Report – November 2016**

With the “Market Stallholders Wanted” advertisement and the “Market Boost” on social media, 21 new and return stallholders were registered on the books today and I was ecstatic. It was short lived and I think I jinxed myself. The weather report was terrible and from 6.30 am the stallholders text, rang and dropped like Mortein sprayed flies. Charlie & I arrived at 7am to find a few regulars braving the weather, so I decided all stallholders who wanted to stay could set up on the footpath against the walls. Due to the inclement weather we elected not to set up the Rotary Van BBQ and instead use only one marquee and cook egg & bacon rolls on the brand new BBQ Charlie had purchased.

What a hit. 49 Egg and Bacon rolls were sold and Terry the fruit man donated 2 dozen eggs to keep it going. As the morning progressed there was a demand for sausages and onions. Lyn, Mara, Fiona and Charlie were all busy in the little marquee, working in sync and rolling out the food. Lyn did some three trips to the shop for more sausages and bread. Fantastic group, all pulling together today.

31 stallholders absent, forecast of worse weather closing in, so in consultation with the President it was decided those who did attend were not going to be charged.

Council Food Inspector decided to pay a visit to the market today. Unfortunately for him, the four food vans booked had all cancelled due to the rain. He therefore did not have too much to report. Rotary BBQ passed.

Definitely a horrible morning but finishing with a cheerful afternoon and all the stallholders who braved the day were very appreciative of no charges.

One of the original stallholders (Trudy Willers 80 years old) retired from our market today and Rotary presented her with a large box of chocolates and a card from all of us.

Special thanks to Geoff LS, Roger, Lyn, Fiona, Mara, Charlie and Peter Reese for your support.

**Shall I be optimistic for the December market? ABSOLUTELY YES. Keep on Keeping On.**

Cheers  
Beth Merkus
