Presidents Report for 20 April 2016

It was a sad week for the club with many Rotarians attending the funeral service for Brian Cleeman last Wednesday at Glen Waverley. Our thoughts remain with Brian's wife, Barbara, their two daughters, and their entire family.

In terms of club activities, we had an illuminating presentation from President Elect Keith Kendrick on the future of Rotary. Based on information presented at a recent Presidents' Elect Training Seminar, Keith informed on changes ahead in terms of the way we communicate internally as an organisation and also externally to the public at large. Additionally, the way we as a club manage risk and insurance during our routine and ad hoc activities also left us a lot of food

for thought.

Thank you to all the volunteers who responded to Glen's call for help with the Cruden Farm Open Day. The open day was held today and is in support of the Baker IDI Institute, an organisation our club has a long association with. Just a reminder that this week's meeting will be held at the usual time however at a different venue, specifically, the Waverley RSL. We will meet upstairs in the Sunset Room in company with the Rotary Club of Waverley. There will be an ANZAC presentation delivered by the President of the Waverley RSL, Mr Neil Slaughter. At the completion of the presentation we will dine downstairs in the Warramunga Restaurant. Partners and friend are very welcome. See you then.

Regards

Sean Darbyshire

MARKET(S)

Once again it's time for me to take control of your life for a short period over the next year. Thank you all for your service over the last few years. Last year the average market duties were 4 per member. Except for Phillip who is stuck with Rhonda's as well. Also Beth and Charlie do most of the Mt Waverley Market days and Roger who has delivered and picked up the trailer for as long as I can remember. I shall try to keep it at around this level again. In order to try to make the schedule as smooth as possible I need you to tell me when you are away or unavailable to assist. I wish to do the schedule in May so if you have any blackout dates please let me know by then. If any of you would be happy to do more than the average please let me know. Once I work out the schedule I'll send you all a copy for your reference.

It is actually Hazel Power hiding behind the Umbrella pole! The other photos are at the Jaguar car display and beautiful lakeside scene at Cruden. Compliments of Ros and Lyn.
