ROMAC

Vale Jason Chetty P.P. Moorleigh Moorabbin

To all the ROMAC volunteers. You maybe aware that the death of our friend and colleague was announced late yesterday. Jason was a very active member of our ROMAC team in D9810 as a committee member, host family for "Rickey" and presenter of the ROMAC story. He was climbing Mt Kilimanjaro and had heart problems. We send condolences to Intha and the family and to all his friends on this loss of a wonderful man.

Bradley Bola saw the head of surgery at Epworth on Friday seeking answers to the headaches which have troubled him for several weeks. He is on new medication which we hope will relieve the pain and get clearance to return home to PNG. Following the successful operations on his nose and eyes and the experience of RYLA as part of his ongoing education, It is important that he gets back to complete his education.

Best wishes, Norm Casey for the D9810 ROMAC committee.

Footnote:

Bradley returned to PNG at 10.10am Friday 19th on QF1220. Many thanks to to the Rotarians who support ROMAC and patients like Bradley. It has been a busy time arranging travel at school holiday time, hence the short notice. This concludes what has been an 18 year project involving wonderful medical staff and brilliant surgeons. This week has been a challenge following the death of Jason Chetty last Sunday. Thank you to Teresa and Michael Cox again as Host Family for Bradley, the PNG community and our Rotarians as ROMAC volunteers.

Australian Rotary Health Lift the Lid Event.

Hello 9810 Presidents and Assistant Governors,

I hope I Find you all well, please find below some important updates on the **Australian Rotary Health "Lift the Lid" event being held on October 7th.** Metro Trains have come on board and will allow Rotarians collecting on the 7th full access to every metropolitan station either at the gates or on the platforms. All metro staff will be wearing lift the lid stickers on the day to help promote it. Whether you participate as a club or a cluster this event is going to give Rotary a tremendous amount of publicity and can be used as a membership opportunity as well, I am positive there will be many people wanting to know about Rotary. Please contact your local metro station prior to the day just to confirm your presence on the day. All monies collected can also be credited as donations from your clubs to ARH. Please find below details about Bunnings stores, we can collect on the 7th only please contact your local Bunnings early to save confusion as several clusters have already booked stores. If you have any questions please don't hesitate to contact me, at gtippett12@gmail.com

Subject: Bunnings "LIFT THE LID" and Bunnings Victoria for Friday 7 October 2016.

Greg Ross asked me to dispatch the email informing Rotary Clubs and Rotarians wishing to set up an awareness table and shake the can to approach their local Bunnings and ask to speak to the **Activities Organisers.** Please Arrange the details of the day on a local level. All Bunnings Store will receive a memo from management that Rotary will be approaching their stores.

Please be sympathetic to the Activities Organiser at Bunnings if that day is already congested and you may suggest another day of the week for Lift the Lid at that particular Bunnings. It was difficult to gain consensus around Australia for a National response by each Bunning Store so 'OPTIONAL' was inserted into the agreement to allow common sense to prevail if other charities have pre booked.

Good luck and thank you for being Champions for Australian Rotary Health.

Kind regards,

Terry Davies
