MEMBERS ANNOUNCEMENTS

ROMAC Anton Da Silva – Update 20 June 2016.

Dear D9810 Team and Supporters,

Since the last update Anton has completed his hospitalisation for his 7th Chemotherapy cycle and is home with Dianne and Bill, essentially enjoying a 'normal' existence. He has not had any infection and, apart from daily visits by the nurse, the only other medical treatment he had was a blood transfusion last Fri, as his white blood cell count was low (expected after chemo). Over the weekend his blood count was on the way up and it is expected to be normal by tomorrow.

Anton has been enjoying life, eating anything put in front of him and participating in Scottish dancing and car club activities with Dianne and Bill. He and Claudina thoroughly enjoy these outings and are well known, and bring much joy, to the other club members. He is doing very well and is a typical robust 2yo boy pushing the boundaries. A far cry from the very sick baby who arrived last Dec. To that end, Claudina thinks his mum, Emeraldina, is in for a big shock when he gets home.

On 6 Jul, Anton will have a full set of scans completed and on 7 Jul we will have a discussion with his doctor. At this time, there are no plans for further chemo and it is thought that we will receive the ok for Anton and Claudina to go home. In anticipation of this, the nursing staff, and Dianne, have been adjusting his medication and instructing Claudina in how to apply it.

All being well, this time next month, Anton will be home with his family in Timor Leste.

Cheers

YIR

IAN RISELEY FAREWELL DINNER

Beth Merkus, Lyn Walker, Malcolm and Ros Clowes represented RC Mt Waverley at the 'Farewell lunch for Rotary International President Elect, Ian Riseley and Juliet' on Sunday 19th June 2016. With over 300 attendees this was a great celebration of our District's very own International President and being only the 5th Australian in Rotary History. (Truly from 'Downunder')

Ian & Juliet are moving to Evanston mid July for 2 years and he has some interesting projects / ideas which he'd like to implement during his term:

- * reporting of funds raised and hours of volunteering done by Clubs to enable promotion and awareness of the global impact of Rotary service internationally.
- * in acknowledgment that the 'GSE' (Group Study Exchange) programme was an excellent Rotary initiative, this will hopefully be re-enacted, but funded at District level rather than by Rotary Foundation.
- * a segment at all RI Board meetings called "Why don't we?" - being an opportunity to hear ideas from members and Clubs worldwide to either consider or reject initially.
- * Encourage an informal dress code at District Conventions - called "Business Comfortable"

We wish Ian and Juliet all the very best and send them off with pride.
