**Presidents Report for 8 February 2017**

Wednesday's meeting was a little light on members. The reason why only 2 brave lady members turned up was that our talk was on the male subject Prostate Cancer. Vin representing the Prostate Cancer Foundation of Australia did an excellent power point presentation and explained in detail the problems and the cures. As Vin had been a survivor of Prostate Cancer he was well informed on the subject and his visual show left nothing to the imagination. On a brighter side our sergeant is well on the road to recovery, only he looks like he is being usurped by Beth who cleaned every one of us of our coins. Next week for the lucky few there is a Board meeting after the regular meeting so a late night for them.

Cheers  
Keith

## MEMBERS ANNOUNCEMENTS

### BULLETIN CONTRIBUTORS (PLEASE READ)

A repeat of earlier advices about bulletin contributions.

Whilst all contributions are welcome can I (again) ask that contributors stick to the following guidelines if possible:

Arial Font

Size 10

Paragraphs 0 spacing before and 0 after and single line spacing.

The bulletin is a time consuming exercise as I have to do a lot of cut/pasting and also editing your contributions for errors. Sticking to the above guidelines will help me immensely.

Thanks

Bulletin Editor

### CLUB MEETINGS (PLEASE READ)

The Board has decided to reinstate the role of Meeting Greeter to improve the social environment at meetings.

Whilst the Club Greeter role can vary across clubs the main role is to ensure that Club Members, Guests (including Speakers), and Visitors are given the opportunity to enjoy their Rotary experience. The Greeter should be active in welcoming **ALL** attendees at our meetings as they walk through the entrance to the meeting. In particular they should **introduce** themselves to all Guests, Potential Members and Speakers at each meeting. If Guest Speakers do not have a "host" member who can look after them the Greeter should introduce them to the Chairperson for the night. The Chairperson can then assume responsibility of looking after the Guest Speaker. The Guest Speaker should sit with the Chairperson so they can be familiar with meeting protocols and also so that introductory information can be obtained from them if not already to hand.

The Greeter should introduce Guests and Guest Speakers to the Club President at the earliest opportunity before the meeting. Greeters should also **ensure** that Visitors, Guest Speakers and Potential Members are not left alone before, during or prior to departing the meeting. In order to do the Greeter role properly it is suggested the nominated greeter should arrive at meetings 15 minutes prior to the usual start time (ie before 6pm).

Whilst some members will not feel comfortable in this role, it is expected that **all members** will participate over the Rotary year at some point, as it is not fair on all, to allocate this role to just a few of the more outgoing members in the club.

**CLUB SURVEY**

Our Club Board has sanctioned a member questionnaire to obtain member feedback on a number of areas of Club activities. This will form an important source of information for our Club's strategic plan for the next 3 years. This short questionnaire will be handed to those members at Wednesday night's Club meeting. Members not available at this meeting will have their questionnaires delivered to their home addresses. We encourage all Club members to give appropriate time and thought to this questionnaire as this will be input for the future of your Club. Please return the questionnaire by February 28. A stamped return address envelope will be provided with the questionnaire.

Thank you

Hi Glen,

Can you incorporate this email (ed: no too hard) into the bulletin or alternatively, include a link to the email as it gives a summary of what some clubs are doing and also an update to changes in global grants.

Thank you,

Adrian
