Presidents Report for 9 November 2016

Well as we get closer to Christmas we start to wind down, We still have lots to do in our normal running of the club, but head office seems keen to take a break as well. This week we had Mario and Katalina visit us as they have moved into Mount Waverley .Beth's sister Sue joined us and Guest Speaker Ryan Gomez motivated us, Honorary member Graham Bristow also came to get motivated. Next week 9th. November we meet at Waverley RSL for a combined meeting with Waverley Rotary and Geoff Logie-Smith will talk about his recent visit to the WW1 Western Front. 23rd. November is our AGM and for those lucky people on the Board we also will have the usual exciting board meeting after wards. So after a fantastic Calcutta night at the Mulgrave Country Club, and a big thank you to Andrew and all his helpers I look forward to seeing you all next week.

Regards Keith

The Nonagenarians' Night

We had a great party on Wednesday night October 19th to celebrate our Charter President, Ross Mellor, turning 90 on November 7th. It is not surprising that he would celebrate his birthday three weeks prematurely. He always was a one for planning ahead. Ros Clowes did all the preparatory work with her usual finesse including asking 90 year-old charter member Terry O'Brien to be the MC for the night. The venue selected was Benson's by-the- Gallery in Mount Waverley. Of the 32 guests, 20 were current members of the Club and 12 were past members. Some sent special Birthday Greetings to Ross but were unable to attend. They included: Lionel Ash, Margaret and Jack Mitchell, Ron Thorpe, Peter Fallu, Judy and Jim Gallagher, Judy and Ron Lear. It was good to see Stuart and Jill Bales. They had been to Government House that day for an Awards Ceremony. Jill told me that the large dining room table there had sixteen legs on it. When I asked her how she knew that, Jill said she counted them. Ask a stupid question.... I saw Ron Jowett and Denise talking to Russ Daff. Ruff couldn't come because of a recent fall in Cranbourne East. I asked what was Ruff doing in Cranbourne East, Russ said that was where they now lived. Ask another stupid question... Rod Moon and his co-pilot Mary Potter flew in from Mauritius. Neville Wallace and his wife Catherine are still rearing Emily who, I think, is now in her thirties. As MC I found it hard to hold Ross back from making his speech-in-reply. He blew out his candles with ease, then launched into a typical, softly-spoken burst of Mellorisms that some can remember bits of from so many years ago. Ross now thinks that each one of us has a 200 year life span or more, as it were, in that we have an influence 100 years before we are born and another 100 years after our death. This, according to our philosophical mentor, is the power of ONE. God help us! Ross thanked Anna, Ros and all who helped make this night so great.

Terry O'Brien now 90.54 y.o. 23- 10-2016
